Welcome to District 90's Inclusion Preschool Program!

Description of the Program

One morning or one afternoon multi-age session will be offered. The goal of the preschool is to provide students with a positive, nurturing environment that fosters social, emotional, physical, and cognitive growth and development. The staff consists of a teacher who is certified in both early childhood education and special education, two teacher assistants, and a team of related services providers. The classroom is made up of 3, 4, and 5-year-old students who work and play in the inclusive classroom with students of all abilities. The students' diverse learning needs are met by having a low student-to-teacher ratio, which provides opportunities for individual and group attention.

School Hours

- Morning - 8:20 AM - 11:05 AM
- Afternoon - 12:25 PM - 3:10 PM
- Both sessions are five days a week.

AM/PM Placement

- Our class placement process is very thorough, and while we try to honor parent requests for AM or PM, we are not always able to do so. We strive to create balanced classrooms by considering many factors, including class size, the ratio of boys and girls, and the children's varying social, emotional, and academic needs.
- If you have a preference for an AM or PM session, please feel free to email Debbie Lubeck at lubeckd@district90.org. You will be notified regarding placement in AM or PM classes during the summer.
