District 90 schedules second public focus group

Tuesday, November 06, 2007

District 90 has scheduled a second opportunity for River Forest parents and the general community to meet with the consultants working to identify candidates for the new permanent district superintendent. Linda Hanson and John Scornavacco will be conducting the additional session on Wednesday, Nov. 14, 7:30 p.m. in the Library Learning Center (LLC) at Roosevelt Middle School, 7560 Oak Ave.

The board is interested in providing another opportunity for parents, members of the community, and staff to meet directly with the consultants and to share their views on the desired profile of Dist. 90's next superintendent.

As with the first focus group on Nov. 5, individuals unable to attend the focus group sessions can provide input via the Internet at www.district90.org, or via facsimile.
