- Furniture and supplies
- Curriculum and instruction
- Multi-tiered systems of support

ENROLLMENT AND HIRING

Lincoln Elementary

- 58 families have completed the intent to register via the QR code
- Currently have 3 sections of kindergarten
- Teacher has been hired for the new section
- Will continue to monitor enrollment for potential 4th section

Willard Elementary

- 37 Kindergarten students
- 19 students from D90 Pre-K program
- 18 families have completed the intent to register via the QR code
- Currently 3 sections of kindergarten
- Kindergarten position was filled internally due to enrollment shifts

FACILITIES

Lincoln Elementary

- Lincoln LLC and Room 119 reconfiguration projects were both added as a change order in February to larger Lincoln Life Safety construction bid award in January

- Construction begins June 9th

Willard Elementary

- Willard Room 107/109 and Storage/Copy Room reconfiguration projects have been contracted out

- Due to summer school Willard Room 107/109 construction begins July 17th

- Projects that will not interfere with summer school will begin June 9th

FURNITURE AND SUPPLIES

- Kindergarten team collaborated with Anthony Cozzi to order classroom furniture

- Lincoln LLC furniture has been ordered to accommodate reconfiguration of the LLC

- Classroom supplies have been ordered

CURRICULUM AND INSTRUCTION

- Aligned instructional minutes to best practices

- Visited full-day kindergarten program

- Engaged in professional learning sessions with consultants related to daily exploration and choice time

STUDENT SERVICES

- Multi-tiered systems of support (MTSS) will be provided in the same manner as the half-day kindergarten model

- Individual Education Plan (IEP) teams have been conducting transition meetings for students in the D90 Inclusion Pre-School program

- MTSS interventionists and special education providers reviewing building schedules for service delivery
