

Vision Retreat Investigation Activity

As part of our Vision Retreat for strategic planning we are providing everyone with a homework assignment.

The first part of the assignment is to read a short article to push your thinking about learning and the future. Each participant has been assigned an article with the new table team assignment. There are three articles. Each person is to read the article assigned and be ready to share five key takeaways to share with the team. Please see **table assignment document** that will share assigned reading and investigation:

Article 1: 10 Principles of Modern Learning

Article 2: A transformational Vision for education in the US

Article 3: Foundations for Young Adult Success

The second part of the assignment is to explore electronically a school that has a new definition of learning. If you read Article 1 you do Investigation 1, Article 2 you do Investigation 2, Article 3 you do Investigation 3.
