Mrs. Hickey announced that the public hearing as advertised would proceed. Mr. Cozzi stated that a notice of the budget adoption hearing was published in a local newspaper at least 30 days in advance of the hearing. In addition, the budget had been made available for public inspection at the Administration Building for the past 30 days as required by law. He discussed that, by statute, the Board is required to conduct a public hearing prior to their final adoption of the budget for public comment regarding the budget. He informed the public that the legal budget would be filed with the Cook County Treasurer's Office and the State Board of Education.

Mrs. Hickey asked for comments from the public and there were none.

There being no further discussion, the Budget Hearing was adjourned to the Regular Board Meeting.
